### \* **Keynote Speaker: Shirley Paulson, C.S., M.T.S**

Shirley Paulson's combination of Christian Science healing practice with a master's degree in Theological Studies from Garrett-Evangelical Theological Seminary (near Chicago) has opened the door to a number of valuable interfaith activities. She is now serving on the national Board of Governors of the Religion Communicators Council and was founding co-President of the local chapter of that organization. Her award-winning interfaith podcast, "Waiting for Christmas," and other podcasts are available on her website at [www.SpiritualityandChristianity.com](http://www.SpiritualityandChristianity.com). To find out more about Christian Science, visit [www.ChristianScience.com](http://www.ChristianScience.com).

### \* **Following the Keynote address, a distinguished panel will answer your written questions, starting off with...**

- What religious books does your faith use?
- What is a Christian Science Reading Room?
- What are your beliefs and practices regarding health and healing?

**Voluntary Suggested Donation in Support of IP/FBW: \$5.00/person**

#### *Interfaith Partnership/Faith Beyond Walls – Mission Statement*

Interfaith Partnership/Faith Beyond Walls works with congregations and faith communities to promote peace, understanding and respect among people of all faiths and within the greater Saint Louis metro area. It accomplishes this mission through education, celebration, social advocacy and community service by:

- **Providing** dialogue and educational opportunities to learn about the various faiths in the Saint Louis region.
- **Creating** social opportunities for people of all faiths to come together for celebratory events and occasions.
- **Advocating** for health care education and access for all, especially the disenfranchised and underserved, and being a public voice for issues of common concern in the community.
- **Serving** the Saint Louis Metropolitan region with interfaith volunteers and congregational leaders through community service projects that impact local underserved communities.
